Subject: For EPA Review - Addendum 1 of the Round 3B Comprehensive Sediment and Bioassay FSP

Valerie,

Please notify EPA that Addendum 1 of the Round 3B Comprehensive Sediment and Bioassay FSP has been posted for review and comment. The document is located here:

Files | Documents Under Review | 2007-12-10_R3B Comprehensive Sed FSP Addendum 1: Fate & Transport

The field work associated with this FSP will be conducted immediately following the Round 3B coring program in mid-January. Review comments are requested as soon as possible to comply with this schedule.

Thank you.

Sandy

This communication is made under the framework of the LWG Participation Agreement and in the parties' common interests in meeting LWG member obligations under the Administrative Order on Consent and in anticipation of litigation concerning liability for the Portland Harbor Superfund site. This communication is intended and believed by the parties to be part of an ongoing and joint effort to develop and maintain a common legal strategy and contains strategies, work product and legal advice within the "common interest" extension of the attorney-client privilege and the work product doctrine. This communication may include attorney-client communications. With respect to communications by private LWG members to public members, those communications are with the expectation that they will be kept confidential by the public entities. The information is intended to be for the use of the individual or entity named above. If you are not the intended recipient, please be aware that any disclosure, copying, distribution or use of the contents of this information is prohibited. If you have received this electronic transmission in error, please notify us by telephone at (360) 705-3534, or by electronic mail at sbrowning@integral-corp.com
